Adams Elevator Equipment Company

Booth #26
100 South Wacker Drive, Suite 1250, Chicago, IL 60606
800-929-9247 Fax: 312-348-6163 shop.adamselevator.com

Adams Elevator Equipment Company is the world's leading supplier of replacement parts, safety products, poly rollers, and door protection products to the elevator and escalator industry. We stock replacement parts for all major OEM's. Some of our most popular products are Safe-T-Lock, GateKeeper®, LifeJacket®, HatchLatch®, SafetyStrip® and SafetyGuard™ barricades. Our Catalog Volume 18 lists approximately 9000 parts, and we now have a web shop accessible through our web site, where customers can research parts, order parts, track shipments and check pricing. Our on-line catalog offers twice as many parts for research as our print version! So, if you don't see the item you need in our catalog, please visit our web shop at shop.adamselevator.com, or call 1-800-929-9247.

AnswerPlus

Booth #55
11830 111 Ave NW #202, Edmonton, AB T5G 0E1
P: 780-851-3451 c: 780-446-5878
www.answerplus.ca

AnswerPlus is an award-winning, 24/7, bilingual, inbound & outbound call center with locations in Toronto, Hamilton, Montreal and Edmonton. Acting as the voice of companies since 1961, we specialize in developing custom communications and customer service solutions. We provide outstanding customer service to companies of all sizes, both local and national, and offer Answering services, Call Centre services and Emergency Call services. Unlike organizations that use the mantra customers are the number one priority, we have a slightly different philosophy. At AnswerPlus we put customers third. Employees are the number one priority. It's a matter of simple logic — if they are motivated, happy and have the skills to do the job, they will be excellent at what they do. Excellence will keep callers happy (priority two) which ultimately translates into generating loyalty and repeat business for our clients.

Ascenseurs Design Inc.

Booth #28
1865, A.R. Decary, Quebec city, Qc G1N 3Z8
418-681-2023 Fax: 418-681-4439 www.asc-design.qc.ca

Teléfono: +34 954 514 500 www.hidral.com

For the past 43 years Hidral has been a leading manufacturer of hydraulic elevators providing more than 4,500 units annually and exporting to more than 80 countries worldwide. Our engineering staff works hand in hand with consultants, architects and general contractors, assisting in the development of projects that call for customized solutions as well as standard applications. As of today our product line consists of freight elevators, automobile elevators, and material lifts type B.

Hilliard Brake Systems

Booth #32
100 W. Fourth St. Elmira, NY 14901
607-733-7121 www.hilliardcorp.com

Hilliard Brake Systems provide positive stopping and reliable holding of rotating devices on demand – every time. We offer two styles of spring applied electric released brakes that can be easily fitted to "A" frame elevator drives. These brakes are designed to apply when unintended travel of the car occurs. Hilliard offers a friction disc plate-style brake that attaches to the drive shaft of the pulley and a caliper-style that acts on a ring attached to the pulley. Each brake has an easy-to-adjust mechanism that compensates for friction surface wear, and extends the life of the brake. These brakes are an excellent cost effective alternative when performing a modification job which requires lifting, moving a drive or extra construction to the elevator. We offer certain models of these two styles of brakes that meet CSA approval. Hilliard Brake Systems are Made in America...Built for the World.

The IES Group

Booth #66
1351 Matheson Blvd. East Unit#6 Mississauga, ON L4W 2A1

Smartrise Engineering

Booth #18
2601 Fair Oaks Blvd., Sacramento, CA, 95864
Office: 1-(916)-457-5129 Canadian Direct Line: 1-(916)-805-3868

Smartrise Engineering is the leading provider of open-market controller systems and solutions, with a strong focus on the independent contractor market. Smartrise understands very well the needs of the elevator contractor and provides 24/7 technical support at no additional cost. One of the hallmarks of Smartrise has been its strategic decision to move beyond "non-proprietary" and proceed into what it calls an "open market" model. Smartrise uses parts that are readily available from many vendors. Its systems are compatible with most elevator machines, motors, pump units, door operators, fixtures, security systems and more. Market segments include high-rise/high-speed, high traffic, universities, legacy machinery, explosion proof, federal buildings, healthcare, hospitality, stadiums, residential among others. Come see how Smartrise can help with your modernization or new construction project.

Sprecher + Schuh

Booth #36
15910 International Plaza Drive, Houston, TX 77032

Vator Accessories, Inc.

Booth #14

1444 W Bernard Ave, Addison, IL 60101

P: 630-876-8370 F: 630-876-8346 www.vatoraccessories.com

Vator Accessories, Inc. was formed in 2008 by Lisa Grimes and Frank Wieckowski. Frank was the owner of Automatic Elevator in Niles, IL for over 40 years and co-founder of Quality Elevator Products of Niles, IL. His extensive experience in elevator construction and maintenance gives us a leading edge on product design focusing on the items you really need and making innovations so that those products work even better for you. Lisa is the daughter of Michele Virchinsky-Wieckowski, the former owner of Quality Elevator Products in Niles, IL. She gained extensive knowledge of the elevator supplies business working in various capacities in the company from the company's founding in 1983 until Quality Elevator Products was sold to Waupaca in December 2007. In May of 2008, Lisa and Frank collaborated to create Vator Accessories, Inc., a new company that would focus on the

products you need, make improvements to them, and offer you the customer service you deserve. Between the two of us, we have over 75 years of experience in the elevator industry. It is our mission to provide you with the products you need at fantastic prices and with service that exceeds your expectations. Give us a shot, you won't be disappointed!
